

Monday, 26th June, 1933.

R. LLOYD PRAEGER, D.S.C., President, in the Chair.

Rev. John Ryan, S.J., signed the Roll, and was admitted a Member of the Academy.

The following Papers were read:—

H. O'Neill Hencken and H. L. Movius, "The Cemetery Cairn at Knockast, Co. Westmeath."

D. A. Binchy, "Bretha Crólige—a recently-discovered Old-Irish Law Tract."

The following Papers were read in title:—

J. Doyle and W. T. Saxton, "Contributions to the Life-history of Fitzroya."

J. J. Nolan and P. J. Nolan, "Further Observations on Atmospheric Ionisation at Glencree."

F. D. Greeves, "An Investigation on the penetrating Radiation from Potassium." (Communicated by Professor W. B. Morton.)

R. W. Ditchburn and Miss C. J. Power-Steele, "Notes on Resolving Power II. The Resolving Power with a Photomicrometer."

R. W. Ditchburn, "Notes on Resolving Power III. The Resolving Power by the Method of Focal Isolation."

The Treasurer laid on the table the Audited Accounts for the year 1932-33 and the Estimates and Allocations for the year 1933-34.

A list of donations was read, and thanks voted to the Donors.

*R.I.A. Minutes 1932/33*
